Location:

Located within the South Western Sydney region within close proximity to the M5 & M7 motorways. It is a 1 minute drive to the M7 entry and exit.

Description:

The building is an A grade industrial facility consisting of high clearance warehouse and modern office accommodation that is fully fitted out.

Access to the high clearance warehouse is via 10 on-grade roller doors and also provides full drive around B Double access. The site is secured with automated entry and exit gates.

The modern office accommodation is situated over two levels. The first floor office area consists of a large boardroom, several executive offices and open plan space with modern workstations.

Building Configuration:

Warehouse Area: 6,338m²

Office Area: 1,831m²

Total Area: 8,169.00m²

(Area is approximate)
